In October 1906 his reversion to the education Deptt was ordered as he was not a matriculate, on representation Govt exempted him from this disability, treated the period he was out of office as privilege leave and leave with all^ce, ordered his continuance as Sanitary Overseer, authorized reimbursement to him of half the all^ce calculated on the pay of Sanitary Overseer during the period of his training for qualifying himself to the Sanitary Inspector's place and appointed him Sanitary Inspector finally. These facts go to show that he was all along treated as confirmed Sanitary overseer not explicitly declared so.

approximately before being appointed as Sanitary Inspector substantively. From the date he left the Edn Deptt he has not, at any time subsequently reverted to that Deptt. He has all along been declared to be efficient and eminently fit for the post of Sanitary Overseer (vide Councillors' remarks on page 3 of Santy File 122 of 06 and L. B. File No. 121 of 07, put up.). On principle it appears that when a man fully qualified for the work he takes up is appointed on probation, is simply to give Govt an opportunity of getting rid of him if he does not suit them and if he is not so got rid of there is no objection to his being shown all the benefit which a holder of a substantive appointment can lay claim to.

Most Respected Sir,

Adverting to Hassan Deputy Commissioner's Order No: 235 dated 6-1-1911 calling on me to show better grounds for making another representation to Government in the matter of arrears of pay due to me (now amounts to Rs 770), I beg to state that I Submitted the Original records in person on 4-4-1911 to the Deputy Commissioner — Hassan, in which include the Bills claiming the monthly deficit of Pay of Rs 10/- from 4-1-07 Countersigned by the Amildar of Chikballapur, recommendation of Mr. Sirsi Ananda Rao, B.A. L.L.B. for Sanction of these bills and the recommendations of Amildar of Avaiseera Taluk and the General Assistant Commissioner, — Chennarayapatna Sub Division in the Same matter as per Government Order Nos: 5309-12 San: 122-06-2
N 6091-5
O L.B. 121-07-12 dated 19-12-1906 and 30-12-1908 respecting

1. I was holding an appointment of a clerk, on Rs 15, in the Education Department. Having qualified myself for the post of Sanitary Inspector, I was recommended and appointed by Doctor J. Smyth on probation for 3 months, as Sanitary Overseer on Rs 40/- and was posted to the Sanitary Board, Kolar Gold fields, which lasted from 1-12-1905 to 24-10-1906 (Copies of Madras and Mysore Government Rules are herewith attached)

2. The Deputy Commissioner, Kolar having dispensed with my Services from probationary Sanitary Overseer's appointment

and

and reverted me to my substantial post of a clerk in the Education Department in his Order No. 242 dated 24-10-1906 on the ground that I was not qualified for the post (Copy herewith attached). I submitted a memorial to the Inspector-General of Education and he was pleased to forward it with his letter No. 3172/268 dated 1-11-1906 (Copy attached) to the Sanitary Commissioner with a recommendation stating that "If he is really an efficient Sanitary Officer, the Government may be asked to exempt him from passing the Matriculation Examination and declare him to hold the post of an Assistant Sanitary Inspector (viz on Rs 75 to 100). Thereupon the then Officiating Sanitary Commissioner (Doctor. P. S. Achyuta Rao) on perusing the records connected with my case together with the testimonials given by Messers R. B. Plumer and K. P. Puttanna Chetty during my tenure of service as Sanitary Overseer under them in the Sanitary Board Kolar Gold Fields and strongly recommended my case to Government in his letter No. 386 dated 9-11-1906 and obtained my reinstatement in Government Order No. 5309-12 / San: 122-06 dated 19-12-06.

3. I was sent to Police School for training on 4th January 1907 by the then Dy: Commissioner, Kolar, in his order No. 21 dated 2-1-1907 in the capacity of a Sanitary Overseer. After my training was over, I was posted to Yerikadnur as Sanitary Inspector, as per Government Order No. 8353-4 / L.B. 322:06-2 dated 18-3-1907. As Sanitary Inspector, I drew a monthly Salary of Rs 40/- for a period of 9 months to the end of September 1907 when I was directed by the Kolar Dy: Commissioner in his Order No. 294 dated 14-9-1907 to draw Rs 30/- only and at the same time the excess amount drawn from 4-1-1907 was also ordered to be refunded (Copy attached) and I had to do so. This is quite opposed to Government Order No. 5309-12 / San: 122-06 dated 19-12-1906 quoted above wherein it is said I should be allowed to continue as Sanitary Overseer on Rs 40/- a month. The Dy: Commissioner's Order was

a great shock to me as I did not do anything to deserve it. It has not only affected my pecuniary circumstances but also blighted my future prospects. I beg to point out that if I were really an inefficient worker the Dy: Commissioner would have not recommended me to Government for the post of a Sanitary Inspector in his letter No. 1170/1017 dated 31-1-1907. All the officers under whom I had the fortune to serve, have appreciated my work as is evidenced to Copies of testimonials herewith attached

4. It is from this stage, I have my grievances to make. Even while I was in the Training School at Bangalore, I was allowed to draw Rs 20/- only half of my pay as advised by the Comptroller to the Deputy Commissioner, Treasury Department, Bangalore, in his letter No. 886 dated 10-4-1907. No mention regarding my pay has been made either in the Deputy Commissioner's proposal or in the Government Order posting me as Sanitary Inspector to Goribidnur and on my — memorial in July 1907 the then Sanitary Commissioner (Major Drake Brockman) clearly pointed out to Government such posting on a less pay of Rs 30/- is rather great injustice done to a public Servant

5. From the above Government Order No. 5309-12 / Sani: 122-06 dated 19-12-1906, it is clear that the period of my services as Sanitary Overseer on the Kolar Gold fields is to be continuous from the date I was entertained as such viz 1-12-1905. If this naturaly interpretation is to be accepted, I humbly submit that I should be given the benefit of it by treating my services as Sanitary Overseer on Rs 40 a month continuous from 4-1-1907. The very fact that Government allowed me to continue as Sanitary Overseer from the substantial post of a Clerk in the — Education Department clearly shows

that

5. that it was not their object to reduce my pay and it was nothing but a confirmatory order on Rs 40/- a month and this confirmed by Government in their Proceedings No. 6091-5/L.B.121-07-12 dated 30-12-1908 and the period of interruption of duty from the date of dispensing with my services till my reinstatement viz 24-10-1906 to 3-1-1907 was treated as privilege leave & and I got leave allowances as Sanitary overseer at Rs 40/- a month.

6. [illegible] Government when passing their order No. 6854-5/L.B.(200-09-2) dated 8-2-19 declining to sanction the maximum pay of the Sanitary Inspector on Rs 40/- on the ground that I was never confirmed as Sanitary Overseer on Rs 40/- were fully aware of their order No. 5309-12/L.B.122-06-2 dated 19-12-1906 exempting me from passing the matriculation examination and allowing me to continue as Sanitary Overseer - from the substantial post of a clerk in the Education Department there would have not been an occasion of an order of this kind. This Government - Proceedings No. 5309-12/San:122-06-2 being itself a confirmatory order gave an occasion to late Mr. J. Weir, M.A. to fill up my place permanently in the Education Department and to make a note in my Service Register that my services were transferred to the Sanitary Department from 1-12-1905.

7. The Service Register shows that I was getting Rs 40/- permanently as a Sanitary Overseer as well as a Sanitary Inspector - but contains no remarks to the bad work I did and there is no reason to reduce my permanent pay from Rs 40/- to 30/- without inflicting any fault.

8. Government are fully aware that the pay of Sanitary Overseer starts

from

from Rs 40/- while that of Sanitary Inspector from Rs 30/- and when they allowed me to continue on Rs 40/- Surely there was no reason nor was it their object to appoint me for a post on less pay. It is on this point that a reconsideration and final orders of the benevolent Government is earnestly prayed for.

9. When I was drawing Rs 40/- as Sanitary Inspector from 4-1-1907 to the end of September 1907, I was confirmed in the Sanitary Inspector's appointment in July 1907 after a period of 6 months from 4-1-1907 as per instructions laid down in Government Proceedings No. 8353-4 / L.B.322-06-2 dated 18-3-1907. I see no reason why I was degraded from Rs 40 to 30 against Codal rule though I was confirmed in that appointment also.

10. Under the above circumstances, I humbly pray that the following claims of mine may be brought to your kind consideration and favourable orders passed:—

(a) My Salary as Sanitary Inspector from 4-1-1907 may be ordered to be paid at Rs 40/- a month.

(b) The monthly deficit in my pay of Rs 10/- due to me from 4-1-1907 up to date amounts to Rs 770/- which may be ordered to be paid to me.

For this act of benevolence, I will, as in duty bound, be ever grateful to you.

Instead, he memorialised Government to appoint him as Sanitary Overseer and, on my recommendation, Government were pleased to direct that Narayanaswami Naidu
